

## New Product Information 2024

2023/08/10

Dear Sir/Madam, We are pleased to hear that your company is prospering.

Thank you very much for your continued support.

We would like to inform you that we will be adding a new product to Eins's ``Robot hand parts`` lineup.

### Category: Air nippers

|                                                                                   |           |                                  |                                                                                                                                                                                                                                                                                                                                                                                              |
